Expert Craftsmanship

Our expertly crafted cremation and wooden coffins are constructed with the highest precision, to create a robust, durable coffin range with optimal strength.

Refined Designs

The designs can be specifically tailored to suit your needs. We accept requests for specific modifications to symbols and decorations.

Our coffins are available in 2 sizes, standard and half size (for exhumation)

Unique Solutions

Our cremation coffins have been refined in every aspect.

A significant example here is the original method of closing the coffin using clamps made of the same material that was used for the coffins.

All our cremation coffins are equipped with a headrest pillow and white laminated insert.

Cremation Coffins

*O*ur cremation coffins have been expertly crafted and refined to provide a high quality, durable, eco friendly product.

*T*he interior of our cremation coffins contains a unique laminated insert within the lining to create a robust coffin with durable liquid protection.

*E*ach coffin comes with a standard cotton lining including a pillow, which can be upgraded to a luxury satin version.
